is approved as a QCAR Part-145 maintenance organisation to maintain aircraft, engine, propeller or associated parts limited to that as specified in the scope of work described in the QCAA MOE Supplement approved by the QCAA, subject to the following conditions:

Conditions:

1. This Acceptance requires continued compliance with the established procedures in the relevant Maintenance Organisation Procedures Manual or equivalent document, as applicable, approved by European Aviation Safety Agency (EASA) and the requirements of Airworthiness Notice No. 7, as amended.
2. The use of airworthiness release certificate shall be in accordance with the requirements of Subpart K to QCAR 1002/2006 Annex (Part 21).
3. Certificates of release to service for aircraft must quote the QCAA Certificate of Acceptance reference indicated above.
4. Subject to compliance with the foregoing conditions, this certificate shall remain valid, unless previously been surrendered, superseded, suspended or revoked.

Date of issue: 02 May 2019

Majed Alatawi

Acting Head of Airworthiness Section
Air Safety Department
